

Partners for a Better Community

Dear Guidance Counselor,

We are writing you on behalf of the PBC (Partners for a Better Community) and the **Emma Wilder Johnson Scholarship Fund**. The PBC's mission is to bring awareness to people in the community, empower children, reward college students for their accomplishments by providing funding, and bless families in need. The purpose of this letter is for you to give students the opportunity to participate, who are in good academic standing, strong in community service, and live in the Tri-County Area; Charleston, Dorchester & Berkley Counties of South Carolina only.

The Emma Wilder Johnson Scholarship Program has been established to promote opportunities for students who want to further their education. This Scholarship fund is a fundraiser to help build this endowment, so that we may continue to help college students. There are so many who aren't qualifying for additional money. Although they have the GPA, their SAT scores aren't enough to warrant additional funds. Since being in existence, book scholarships and tuition assistance have been given. **It will be offered to graduating class of 2018 (current Juniors /11th graders in 2017) who are in good standing and have a minimum of a 3.0 cumulative overall grade point average at his/her high school graduation.**

Emma Wilder Johnson, having taught 34 years at C.A. Brown and Burke High School, was an advocate for education and dedicated most of her life to it. Because of her love, commitment, and passion for education, we embrace the Emma Wilder Johnson Scholarship Fund with hopes that those seeking to further their education will be able to do so and walk into their destiny.

The Partners for a Better Community is asking for your help in selecting students to receive the Emma Wilder Johnson Scholarship. Awardees will be honored at the **Emma W. Johnson Scholarship Black Tie and Silent Auction Gala in October of 2017**. The objective of this fundraiser event is to raise funds to award scholarships to rising seniors in the Tri-County Area, who will be attending college in the fall of 2018 as well as promote opportunities for students looking to further their education.

Please complete the application and return by **Saturday, April 15, 2017**.

Sincerely,

Tauheedah J. Salido
